

**SQUARE110 PALLET**  
**110x110x15 cm**  
**08-SQ**

Export quality plastic pallets suitable for all types of packaging like jumbo bags, boxes, bulk material, drums of 200 or 250 liters. Monoblock plastic pallet with unique square dimensions ( 110X110X15 cm) made of high-quality polymers. Ideal for containers, use on conveyor belts in auto-packaging systems, and excellent in export - one-way pallet. A benchmark for export packaging applications and price!

**TECHNICAL DATA**

CODE	08-SQ
Dimensions LxWxH (cm)	110x110x15
Static Loading (kg)	4000
Dynamic Loading (kg)	1300
Racking Loading (kg)	500
Structure	
Runners	3 longitudinal, 3 transverse
Standard Color	●
Container Load [40' HC]	360 PCs
Standard Truck Load	480 PCs
Rackable	✓

## ADVANTAGES

- ✓ Anti-impact perimeter
- ✓ Large window operations for easy handling
- ✓ Plastic pallets have fewer or no repairs.
- ✓ Plastic pallets improve efficiencies due to standard dimensions and lack of broken board.
- ✓ Plastic pallets offer better product protection no nails or broken boards to damage payload.
- ✓ Plastic pallets offer better stability no damaged or missing boards causing spills or falling stacks.
- ✓ Plastic pallets improve safety and lower workers compensation claims.
- ✓ Plastic pallets allow for greater utilization of warehouse space stability and higher stacking.

### Recommendations for use

- ✓ Do not stack more than 30 pallets, which is equivalent to a height of 4.65 m when empty.
- ✓ Once stacked in height check that they are properly fitted.

- The values indicated are approximate and are based on practical experience and ISO 86111-, evenly distributed load over pallet surface, at ambient temperature (23 °C) for a specific time. Different load conditions produce different values that have to be checked at the customer's request. Any deterioration or breakage in the pallet may vary these results.
- Due to the characteristics of plastic materials and manufacturing process, the dimensions and the weight of the pallets may present certain tolerances.
- The specification can be affected in case of alteration of the product with parts and / or materials different from those approved by the RePal quality department.
- RePal reserves the right to modify any information herein indicated without prior notice.
- Any warranty, specification or liability on the part of RePal will be terminated in case of modification of the product with spare parts not supplied by RePal.
